LG VX7000 Battery Replacement

Written By: Nichole Shaw

INTRODUCTION

Use this guide to remove and replace your LG VX7000's battery.

Step 1 — Battery

- Lay the phone face down with the screen in palm of hand.
- Slide the grey button towards the top of the phone.

Step 2

- While the button is slid up grab the battery on the sides and pull up with the bottom remaining in place.
- Pull the battery up vertically to completely remove from phone.

To reassemble your device, follow these instructions in reverse order.
